

Summer 1 2024 Minibeast Homework Challenges

Each week this half term we would like you to choose one activity from the grid to complete for your homework. Colour in the square once you have completed a task. Bring in your homework each week to show your teacher what you have been up to 😊 **5 to be completed in total.**

Make a minibeast 'hotel' in your garden.

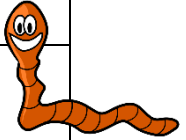

Take photographs of places that might be habitats of minibeasts.

Create a fact file all about minibeasts.

Create a wildlife charm to dangle in our nature area near the pond.

Create a minibeast word search for the class.

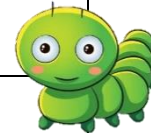

Draw to show the life cycles of butterflies and frogs.

Make a song or rap all about minibeasts.

Go on a minibeast hunt and record what you find.

Compare different habitats for different minibeasts.

Write a story all about a bug.

Collect pebbles and paint them to make them look like different bugs.

Write a minibeast riddle for the class to guess which minibeast you are writing about.

Create a piece of artwork based around our minibeast topic.

Research and record why bees are so important to us!

Write a water or minibeast poem.
