Tuesday 13 May 2025	English reading
Wednesday 14 May 2025	Maths papers 1 and 2
Thursday 15 May 2025	Maths paper 3

KS2 SATs

How you can ensure your child is prepared:

- Support us – spellings, reading, TTRS
- Ensure your child is working through the revision guides that will be issued in February.
- Ensure your child attends booster sessions if they are invited.
- Have plenty of other fun family activities planned to get the balance right – motivation and energy is key!
- Talk to us. If you have any concerns, you don't need to wait until parents' evening – just ask.

Helping at Home

What you need to do at home:

- Listen to your child as much as possible – they are not too old!
- Record reading in their organisers – children can do this but please sign weekly.

How you can support at home:

- White Rose: Parent Support Books (FREE 😊)
- Family Maths Toolkit
- Ensure homework is completed (inc revision guides)
- Times Tables Rock Stars

E-safety

The Internet is amazing; we live in a world where we struggle to function without it. It comes with many risks – particularly to children.

In school, we are consistent in our approach of being transparent about the risks of using the Internet and we regularly talk about the dangers of social media. Despite this, every year, we face a safeguarding concern linked to this.

E-safety

**Please don't ever think 'that would never happen to my child'
– unfortunately, it can.**

Social media

Whilst there are age restrictions on these and we strongly advocate following them, we are not naïve to the fact that quite a few of our pupils do have accounts. As adults, we need to safeguard our children.

- How often do you check their social media accounts?**
- Do you have access to these accounts?**
- Have you ensured privacy settings are as secure as possible?**

5 tips to keep kids safe on WhatsApp

- 1 Review privacy settings** WhatsApp has a range of privacy and security settings to keep users safe. Customise groups, app access, live location and more.
- 2 Customise contacts** Show your child how to report and block unwanted contacts. Then, work with them to add their friends and family. Review and talk about their contacts regularly.
- 3 Talk about personal information** Make sure your child understands what personal information is. Talk about the importance of keeping that information private on WhatsApp.
- 4 Show them where to get support** If something goes wrong or they see something worrying on WhatsApp, make sure they know to come to you, and talk about other sources of support.
- 5 Check in regularly** Once you've done all of the above, check in with them regularly to review settings and how they use WhatsApp.
