

FERNWOOD PRIMARY & NURSERY SCHOOL

Nursery

Fernwood Primary & Nursery School offer free nursery places during the normal school term, from the Autumn term following a child's 3rd birthday. We offer 5 full day places to children whose parents are eligible for the Government's 30 Hour Free Childcare Scheme (<https://childcare-support.tax.service.gov.uk> to check eligibility criteria) and 5 morning **or** 5 afternoon places for all other children.

All places are dependent upon availability of morning or afternoon places in the Nursery. Fernwood Nursery capacity will be 52 children in the morning and 52 children in the afternoon.

Nursery sessions are:

Morning sessions will be from 8:40am – 11:40am

Afternoon sessions will be from 12:35pm – 3:35pm

Full day sessions may include a lunchtime period (for which there is a small fee to cover staffing costs).

In the event of over-subscription, we will use our Nursery Admissions Policy, a copy of which is available from our Infant School Office and can also be found on our website www.fernwoodprimary.co.uk

Admission to Fernwood Nursery does not constitute any right to entry to Fernwood Primary School. Parents will need to apply directly to Nottingham City Council School Admissions Team for a school place.
