

Summer 1 2024 'Living Things' Homework Challenge

Each week this half term we would like you to choose one activity from the grid to complete for your homework. **Colour in the square** and **write the short date** once you have completed a task. Bring in your homework each week to show your teacher what you have been up to ☺

Make a home for an animal in your garden.

Research a mammal, insect, amphibian, bird or reptile.

Create a poster or PowerPoint about an animal or species.

Create a wildlife charm to dangle in our nature area near the pond.

Make a quiz to test the class!

Draw an accurate life cycle.

Make a song or rap to teach us about living things.

Go on a minibeast hunt and record what you find.

Compare different habitats.

Write a story about an animal.

Create a piece of art work inspired by living things.

Write a riddle for the class to guess which animal you are writing about.

Create a word search!

Write a letter about why living things are so important and what we can do to help them.

Research an endangered species.
