## News and notices from Fernwood Primary and Nursery School.

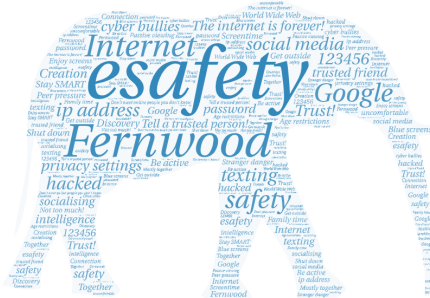

Well, the end of the first half-term has arrived! And with it, plenty of rain!

It was great to see so many families join us for our parents' evenings—either face-to-face or virtually. It is so important to have strong, positive links between home and school so thank you.

This half-term has seen visits to the Galleries of Justice (Y6), meetings for Conwy and York, welcome meetings for parents of children in Y6 and Reception and a weekly sharing of brilliant musicians in our Wow and Merit assemblies! Y1 and Y3 have both been to Wollaton Park, we've had excellent class assemblies from Damsion and Spruce, a fabulous history day, the infants have enjoyed our new playground and Miss Hill and Mr Greenwood organised an in-house mini Rugby World Cup which was won by Laurel (Y5/6) and Fern (Y3/4). In other sporting news, both the girls and the boys have played football matches and enjoyed wins and suffered losses. I saw Y3's poetry slam which was superb, Y4 enjoyed a visit from Titus the Roman Soldier and we finish the half-term with our careers week expertly organised by Mr Hill. Mr Hartley shared the importance of e-safety with the children this week too (see below).

A few children went to Wollaton Hall to share an art project inspired by Willard Wigan and they won! If you get chance to go and see the 'Our Disappearing World' display, it really is quite special. (See photo right.) Have a wonderful half-term break, see you on November 6th.

*Do you want to be more involved in school life?*

*Do you want to support the children by offering exciting opportunities?*

*Do you have a keen and organised mind?*

*Are you great at raising funds?*

If so, you could be a brilliant addition to our Friends of Fernwood team. If interested, contact **Abi Oakes** on the email below.

#### **5 Reasons to join Friends of Fernwood:**

1. **Benefits your child.** Research shows that children perform better when parents are involved both at home and in school.
2. **Get Connected.** There is no better way to know what is happening in school.
3. **Tap into a Network.** Friends of Fernwood connects you to other parents & teachers through meetings, events & communications, helping to build a sense of community.
4. **Be a Role Model.** By becoming a member, you'll be demonstrating to your child the importance you place on education.
5. **Witness Improvement.** By getting involved you'll be helping to make positive changes.

To become a member of our committee or a core volunteer for events or even a background helper, please email with your name, phone number and email address to:

#### **NOTICES**

Follow us on our social platforms—we use [Twitter](#) and now **Instagram** (fernwoodprimary). Come and take a look.

**We have noticed a few children coming into school in trainers rather than school shoes. Please do ensure you send your child wearing the correct uniform.**

After the half-term break, we are changing our finance and registration management system. We will send out information regarding this in November. Please be patient as we acclimatise ourselves to the new system. Please note, you will not be able to top up dinner money until after half-term. All other payments will remain on School Gateway.

**Councillors Battlemuch, Ahmad and Khan will be holding a parking consultation meeting here at Fernwood Primary in the junior hall on **Tuesday 7th November 17:30-18:30**. If you are a resident and want to contribute your thoughts on the current scheme, then do come along.**

**UNIFORM:** With over 1100 children in school, it is very easy for uniform to get picked up by another child or to be placed somewhere and forgotten. Ensure your child's name is written/printed/sewn into every item. It's so much easier for it to find its way home!

## Our Careers Week.

Huge thanks to everyone that came and supported us and gave their time to the children—it was a real success.

As you know, one of the many areas we teach your children about is **Relationships, Health and Sex Education (RHSE)**. These sessions are always taught in a sensitive and thoughtful way and entirely age and stage appropriate.

We share these resources at certain times of the year so you can see what we use. Some elements of these plans can also be found on our website: [Home> Our Curriculum> Whole School Curriculum Plan> RSHE](#)

Please do click the link below or scan the QR code so you can share your thoughts about our provision for this important area.
