YEAR 6

HAPPY NEW YEAR FROM ALL OF TEAM 6!!

We hope you had a wonderful time together as a family and made some truly unforgettable memories. Hopefully, you even managed to squeeze in a little relaxation.

2026 is set to be a big one for your children as they transition to KS3. This can feel slightly overwhelming but we are here to support your child on this exciting journey.

We are so excited to kick off 2026 with some fantastic projects in class: baking cakes in DT, exploring British History with a focus on WW1, developing skills on the glockenspiels, and more. There's so much to look forward to this term!

New Year Resolution... What's yours?

Here are some of our New Year Resolutions in Team 6.

Mrs Moralee: Increase my running distance and complete a full marathon in 2026.

Miss Newton: To learn a new skill - ideas welcomed 😊

Miss Sharkey: I have been inspired by Mr Hartley; I want to learn how to play chess!

Mr Wildman: To improve my park run time.

Mrs Allwood: Read more books!

Mr Hartley: To increase my overall fitness!

Key Reminders

We have a busy term ahead as we begin to prepare your child for the end of KS2 Assessments. Just before the February half-term, your child will receive three revision guides: Maths, Reading and SPaG. Closer to the time, we will send a letter with further information, along with a polite request for a donation towards these invaluable resources. Please only contribute what you can reasonably afford.

Coats, Gloves, Hats... Sunglasses - Who Knows Anymore?!

We would like to remind you of the ever-changing weather conditions and ask that you ensure your child comes to school in weather-appropriate clothing, including on PE days.

At Home

Read, read, read – with a generous sprinkle of daily TT Rock Stars! Mr Wildman will be setting a Year 6 TT Rock Stars challenge for the month of January, so stay tuned and encourage your child to take part!
