26<sup>th</sup> January 2026

Dear Families,

We plan to hold our annual Faith and Culture Celebration Day on **Friday 13<sup>th</sup> February**. This is a special time for children to deepen their understanding of the cultures, religions and non-religious worldviews in our wonderfully diverse community.

One of the highlights of this day is sharing **foods** from different cultures. Due to government legislation (Natasha's Law), we are unable to allow homemade food into school but we would be very grateful if you could send shop-brought, pre-packaged food with **ALL allergy information included** in English, and that there are **no nuts**. Please speak to your child's teacher regarding any allergies your child may have.

We would like the children to come to school dressed in their **special clothes** to celebrate. These could be clothes that are special to their faith or their culture, or clothes that represent them in some way (e.g. cubs or brownies) or they could be their special party clothes.

We are delighted to be able to invite you into school to share your culture or religion, whether you are from Wollaton, Wales or the wider world! In previous years, we have had art, cooking, dancing, singing, PowerPoints and henna activities led by parents. Or if it is more convenient, you could record a short video of your family at home. These were wonderful to watch last year, thank you. If you are willing to send a video that we could share in school, please send them to your child's class teacher.

Huge thanks for your support in this very special and important day. We really do appreciate it.

Kind regards,

Mrs H Sorrell and Mrs L Moss
