

Summer Curriculum Newsletter

Year 6

Welcome Back

Buckle up – we're heading into the busiest (and most exciting!) term of the year. Over the next few months, your child will be taking their SATs during the week commencing Monday 11th May. We're incredibly proud of all the hard work they've put in so far.

But SATs are just one part of what promises to be a brilliant final term at primary school. We also have our Conwy residential, a range of Year 7 transition activities, the much-anticipated Year 6 production, Sports Day, and plenty more special moments to look forward to.

It's set to be a term full of achievement, memories, and celebration – and we can't wait to share it all with you.

Our Summer Goals

- **To SHINE in SATs. Do your best – that's all anyone asks. Use the revision strategies you've learned and trust in your hard work.**
- **Prepare for Y7. Take part fully in all transition activities and reflect on what you're proud of.**
- **Make memories. Enjoy Conwy, Sports Day, the Y6 production, and all the special events.**

Key Dates

15TH April Y6 Conwy meeting @5pm (online)

11th May SATs week

Curriculum Learning This Term

- In PE, we will explore our orienteering skills. For Games, we are focusing on cricket and athletics.
- In Science, we will be investigating the human body, learning all about the circulatory system and the heart.
- In computing, we are becoming 3D designers and working in 3D space to create our own logos and bookmarks.
- In History, we are learning about WW2 and how what impact it had on Nottingham.
- We can't wait to learn all about different landmarks in Conwy as part of our Geography.
- In DT, we will be designing and creating our own bags.
- In English, we will continue to write for a range of purposes, incorporating all of the skills we have been mastering during KS2.

Wishing you a bright and successful summer term!
