Conwy YHA is a modern, 4-star youth hostel situated on a hill just outside the historic walls of Conwy. The hostel features 26 rooms, most of which are en-suite. We have sole occupancy of the hostel during our stay, with staff available on site or on call 24/7. The team at Conwy YHA always look forward to welcoming us back and they provide all of our meals. They are extremely accommodating and experienced in catering for a wide range of dietary requirements.

CONWY – POCKET MONEY ARRANGEMENTS

We have decided to allow **£20.00 only**. There really isn't the need to have anymore as food and activities are already paid for.

Please could you split your child's pocket money into two halves and send no more than £10 in your child's pocket for the first half of the week, which they will take responsibility for.

The remainder should be handed to your child's class teacher on the morning of the trip in a sealed, named envelope.

The money will be handed out during the second half of the visit. Please make sure your child has somewhere secure to keep their money (e.g. a purse or wallet).

COMMUNICATION

Please be assured that our decision not to allow phones is based on safety, wellbeing and creating the best possible experience for all children.

Phones can increase homesickness, cause unnecessary stress and distract from activities, while also posing a risk of loss or damage. By leaving phones at home, we create a safer, more inclusive environment and give children the chance to build confidence and independence.

If anything arises, you will always be able to reach us through Dojo or the school phone. Staff on the trip have every child's emergency contact details so we can contact you, should this be required.

We really appreciate your support with this.

We will post daily updates on Class Dojo.
