Reception

Welcome

Hello! We are so excited to be teaching your children in Reception this year. We love helping children begin their start of 'big school' because we enjoy making learning fun for others.

We have so many exciting things planned for the year ahead including our Nativity play, a visit to the library and a trip to the farm. We are looking forward to this year—we know it's going to be great!

Curriculum Learning

Literacy We will be enjoying our story books and beginning "Drawing Club." We learn phonics every day and will be learning how to recognise single letters and sounds. We will also be practising writing our names

Maths We will be learning about numbers to 5. This will include understanding how each number is made up of smaller numbers (the beginning of addition and subtraction), showing how to represent the numbers in different ways and learning about circles and triangles.

Personal, Social, Emotional Development We will be playing games together to help us make friends in our class. We will be learning about our school rules and learning why sharing is important.

Physical Development We look forward to our outside games lessons on the Astroturf. In both dance and gymnastics, we will work towards joining different movements together to make up our own routines.

Understanding of the World We will be talking about where we live and who is in
