

Autumn Term Curriculum Newsletter

Lighthouse

Welcome Back

Welcome back everyone! We all hope you had a lovely summer break, hello to our new families and children, we are excited for a fun term ahead! As always, please message on Dojo or speak to me at the door if you have any questions, we are here to help.

Meet the Year Group

Miss Tant - Teacher,

Mrs Scott,

Miss Lowe,

Mrs Young,

Mrs Mcparland, Miss Standbridge, Mrs Anaand and Mrs Henshaw

Mrs Scott and Miss Lowe will be teaching when I am in the Clubhouse (our second provision)

*Friendship • Respect • Inclusion • Enthusiasm • Nurture •
Determination*

Key Reminders

Please send in water or juice bottles for your children, weather appropriate clothing and a spare set of clothes (or two)

Please make sure you send in pull ups for your children, if there are any changes with their toileting let myself know in September.

Each day we will fill in your child's communication diary, this is really helpful to see how the night before has been and we can communicate back to you what we have got up to a school, please send this in everyday! Check Class Dojo each week to see lovely pictures of your children at school!

Important Dates

Back to school 2nd September

2nd October INSET

2nd November Careers week

Determination*

Curriculum Learning

Write a short sentence or two about each subject and what they will be learning about.

English – In our English lessons, we use the Core Word programme. This is a session with a weekly core word focus to support your child's communication and understanding. We have exposure to the word in our songs, stories and play giving the children lots of opportunities to learn the word in its context!

Maths – Throughout our Maths session we will be explore early number skills, and recognising numbers in different ways. To do this we will be singing lots of number rhymes and using practical resources to support learning.

PE – PE will have a focus on familiarizing ourselves with the outside areas and independently using equipment we have, including the swing and trampoline. During our inside PE sessions, this year, we are going to be walking to the hall and making small obstacle courses.

Phonics – In phonics we will be continuing with foundational phonics, and learning initial sounds following Little Wandle Scheme.
